DANCE

All About Dance Company

Youth Dance Company

Our dance company was created to nurture enthusiastic and passionate students who love to dance and perform. All levels of our dance company attend 2 dance competitions, and our focus is always on the journey and progress that our dancers make, rather than on the awards they win. Our youth dance company also performs at non-competitive events, and attends dance workshops and master classes when possible.

The youth dance company is open to enthusiastic and passionate dancers who will be in kindergarten through 8th grade for the 2024-2025 school year. We are looking for dancers who are focused, committed, kind to others, and who are interested in growing as performers and dance artists.

Dancers should have at least one year of prior dance experience in ballet, tap, and jazz. If a dancer does not have prior experience in one or more of these styles, enrollment in those styles during the July Session is required. Dance company members will have required classes that they must take during the 2024-2025 school year, including ballet, tap, and jazz.

Honors Dance Ensemble

The Honors Dance Ensemble is the performing opportunity for our high school age dancers. In this group, the students will focus more on the artistic process of dance -- both as performers and as choreographers. The Honors Dance Ensemble not only provides opportunities for our older dancers to grow as technicians, as artists, and as collaborative choreographers; it also helps them to earn the necessary points to be inducted as a member of our chapter of the National Honors Society for Dance Arts.

Honors Dance Ensemble members must:

- must be in high school for 2024-2025 school year, or included by invitation if younger
- must enroll in 2 technique classes in styles of their choice, per week, in addition to the rehearsal time
- must be focused, committed, kind to others, and interested in growing as performers and dance artists

Dance Company Placement Audition

Monday June 3rd

4:30-5:30pm for ages 5-9

6:00-7:30pm for ages 10-14

*High School students interested in a dance company opportunity, please email for consideration in the Honors Dance Ensemble

register for the Placement Audition through your Parent Portal

All dancers, including previous company members, who would like to be a part of dance company must attend the Placement Audition. If a dancer is unable to attend the Placement Audition, a special placement class must be scheduled during our July session. Please email movementandsounddance@gmail.com to set this up. The opportunity to schedule a special placement class and enroll in company will end on Aug 1.

Dance Company Summer Requirements

All dancers who will be attending the Placement Audition must also be enrolled in one summer dance training choice at Movement & Sound. There are three options to choose from!

- Dance Intensive, June 24-28
- 4-week enrollment in July Session in ballet, tap, jazz, and hip hop
- Dance Intensive, August 12-16

If your dancer needs to use the July Session to fulfill their dance experience in one or more styles, then they must also attend a Dance Intensive.

Dance Company Parent Meeting

Monday June 3 from 5:30-6pm

This is a required informative meeting for any new families whose dancers will be joining company for the first time, and we encourage ALL families to attend. The meeting will cover necessary information that you will need to know prior to making the commitment to dance company as well as give you the opportunity to ask questions.
